

When Generations Collide 2.0

by David Stillman

You may think you know the generations, but the Baby Boomers, Generation X'ers and Millennials are carving out new territory as they evolve. Now comes the latest twist — the arrival of Generation Z in the workplace and marketplace. Just when you think you've bridged all the gaps, it's time to learn about what happens when generations continue to collide.

In Generations 2.0, you will learn where all the generations are in their careers today and what they need to be successful. Where are the big generational issues on the horizon for leaders, managers, and individuals? And what's going to happen when a whole new generation arrives on the scene — Gen Z?

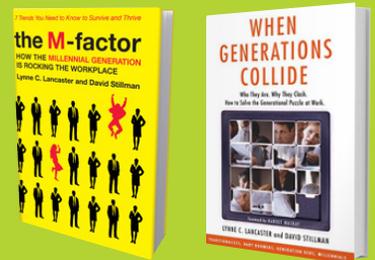

This energizing, fresh, and funny update on Generations will help you identify the gaps creating mayhem in your workplace and marketplace, apply smart solutions to help you navigate multigenerational minefields, and ultimately, look at the generations in a whole new way.

David's multimedia presentations are always entertaining and thought-provoking. Known for customizing his material for every client, David can focus his generational insights in three distinct areas:

- **Workplace:** recruiting, retaining, communicating with 4 generations
- **Marketplace:** customer service and sales for 4 generations
- **Giving:** how to attract and retain 4 generations of donors and volunteers
